Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This communication is in response to the Notice of Abandonment mailed October 2, 2002, citing Applicant's failure to respond to the Office letter mailed October 3, 2001 (copy enclosed). Applicant respectfully submits that the holding of abandonment is in error and withdrawal of the abandonment is requested.

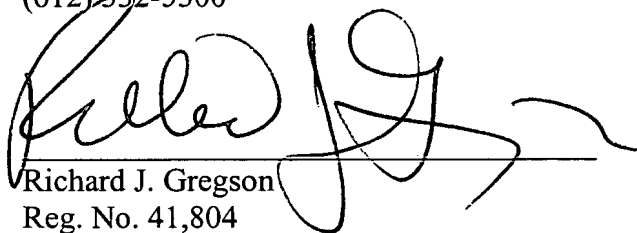

Applicant responded to the Office Action mailed October 3, 2001, by filing a Response to Non-Final Office Action with a Petition for Extension of Time (one month) on January 23, 2002. A copy of the Response is submitted herewith along with a copy of the stamped return postcard showing the date received was February 7, 2002. In view of this evidence, Applicant requests withdrawal of the holding of abandonment, and the Application is believed to be in order.

It is assumed that the petition fee of \$130.00 is not required in this case. However, if such fee is deemed to be required, it should be charged to the undersigned's Deposit Account No. 13-2725.

Respectfully submitted,
